HELLO!

Hi there - I'm Christie, a UI/UX designer grounded in a graphic design background. I'm currently working to grow my front end skillset and searching for an internship that'll help me do that.

Thanks for reading!

Christie

EXPERIENCE

West Arete

UI/UX Design Intern Summer '19 - present (State College, PA)

- Designed an interface and experience for a learning-centered LMS alongside clients from ideation to delivery of XD prototypes.
- Visually redesigned MIT's Living Wage Calculator with XD mockups and HTML/CSS.

NittanyAI Alliance: AI Associates

UI/UX Design Intern March '19 - present (State College, PA)

- Redesigning PSU's Transfer Credit Tool and collaborating on reimagining the tool's functionality.
- Creating XD mockups and HTML/CSS prototypes.

Penn State HCI Research Lab: We Are!

UI/UX Designer Jan '19 - May '19 (State College, PA)

- Collaborated on creating an online portal designed to increase sense of community among online students through HTML/CSS prototypes and UX solutions.

Pfizer Inc.

UI & Marketing Intern Summer '18 (Collegeville, PA)

- Assembled prototypes for mobile applications, redesigned an internal web app with Sketch mockups, and designed marketing materials.

PROJECTS

Revu *Generating quizzes to increase student participation*

UI/UX Designer Jan '19 - present

- Collaborated with a full stack developer on a 9 month project.
- Designed XD mockups, wrote JSX & Styled Components, and led UX decisions.
- Wrote & presented pitches/demos to receive funding and wrote detailed documentation.

LionPlanner *Simplifying course planning for college students*

UI/UX Designer 2018

- Collaborated with a team of six front & backend developers.
- Made HTML/CSS prototypes, led UX decisions, and wrote & presented pitches/demos to receive funding.
